## What Hit Our Pocketbooks?

# Here's Where That Current Tax Bill Came From, Mac

Recovering from initial shock of receiving a tax bill that ranges from neighborhood of $8.89 to that of $9.04 per $100 assessed valuation, Upland taxpayers were this week asking:

"What hit us?"

They are referring to vicinity of their pocketbooks, of course.

Particularly upsetting to majority of local taxpayers was the major bite — $5 for school districts.

Upland School District Board of Trustees President Jarvis Leman was quick to point out none of the 22 cent jump over last year's $4.78 tax rate was caused by the elementary district.

He said the tax boost had to be pinpointed in the Chaffey College District or Chaffey Union High School District.

Examination of make - up of this year's $5 school district tax bill in Upland thru San Bernardino County Schools Office reveals:

Upland School District tax rate is $1.95, the bond rate 48 cents, the same as last year.

Chaffey Union High School District tax rate is $1.47, an 11 cent increase over last year's $1.36, while the bond rate is 49 cents, 3 cents over last year's 46 cents. This accounts for 14 cents of the school tax increase of 22 cents over last year.

Chaffey College District tax rate is 40 cents, a 1 cent increase over last year's 39 cents; while the bond rate is 21 cents, a 7 cent increase over last year's 14 cents. This accounts for 8 cents of the 22 cent school tax increase.

Remainder of the Upland overall tax bill grades down as follows:

San Bernardino County takes $1.71, a 23 cent increase over last year.

City of Upland takes $1.57, same as last year.

Flood control, 30 cents; Metropolitan Water District, 24 cents; Chino Basin Water Conservation on land only, 15 cents; and Chino Basin Water District, 7 cents.

But although Upland School District takes biggest amount out of Upland's $5 school district tax rate with $1.95 plus 48 cents on bonds, it compares favorably to surrounding elementary school districts.

Ontario's tax rate is $1.35 plus 75 cents for bonds. At Mt. Baldy, it is $1.50, a jump over last year's $1.31 rate, with no bond cost.

Alta Loma is the only area district to reduce its tax rate over last year, collecting $1.25 plus 51 cents on bonds this year compared to last year's $1.29 plus 68 cents on bonds.

And the Cucamonga tax bill situation brought declarations from Cucamonga District Chamber of Commerce directors that the school administrators and trustees need help because industrial growth of the area is at stake.

Central School's tax rate is $2.19 this year plus 59 cents on bonds compared to figures of $1.97 and 64 cents last year.

Cucamonga School District's tax is $2.13 plus 28 cents on bonds compared to $1.25 and 28 cents last year.

But the place to move to, if you're planning to reduce your tax rate, is Etiwanda.

Because of that big utility plant there, Etiwanda School District tax rate is 95 cents, same as last year.

To the suffering taxpayer, that's Utopia!

GIVING SANTA CLAUS Inc. a great big helping hand were hundreds of tiny hands at Upland Elementary School. Under supervision of sixth grade teacher Mrs. Harold Anderson, who was in charge of the Santa Claus Inc. collection of repairable toys and games which will be refurbished for distribution to needy children this Christmas, a group of Mrs. Pauline Kern's first graders make their contributions in the big box. A collection box was located for a week in every Upland elementary school.—NEWS Photo

# Red Hill Votes On City Feb. 2

After months of preparation, delays and controversy, voters of Red Hill will decide incorporation of the area at the ballot-box Feb. 2.

Approximately 302 registered voters will make the decision.

Also to be voted on at the election will be five councilmen, a city clerk and city treasurer. County Counsel Albert E. Weller ruled the clerk and treasurer had to be elected since the incorporation petition failed to specify otherwise.

First day for filing of nomination papers by candidates who intend to run for the offices is Nov. 19. Filing deadline is Dec. 10. Dec. 10 is deadline for voters to register.

The public hearing held by San Bernardino County Board of Supervisors regarding the incorporation election was termed the "quietest" ever held. One supervisor was quoted as saying, "Everyone in the area must favor incorporation." He had apparently forgotten about one Red Hiller who requested exclusion although his home was right in the middle of the proposed city.

Exclusions from the incorporation were granted by the supervisors to the Red Motel and Sycamore Inn along with a parcel of land east of Sycamore Inn on Foothill Blvd. requested by Cucamonga County Water District.

## Pinned With Korean Medal

The Korean Service Medal was presented to two members of Upland Naval Reserve staff members Tuesday, Nov. 17, at Naval Reserve Training Center in Pomona. Presentation was made by members of the Korean consulate.

Uplanders honored were Boatswain Robert S. Wayne, 378 Ninth Ave., and Philip M. Harman, YNT2, 1261 Alta Ave. They are members of Naval Reserve Surface Division 11-4.

## Yuletide Baskets

Upland PTA Welfare Chairmen and principals were to meet Wednesday morning at Los Olivos to plan their Christmas Basket program for the holiday season.

Mrs. Waldo Johnson, representing Upland Junior High School PTA, chairmanned the session.

A total of 87 Christmas Baskets were given to needy families in the area last season. Need for more baskets was foreseen for this Christmas.

## 4 Seniors Commended

Four Upland High School seniors have received Letters of Commendation for "outstanding performance" in the National Merit Scholarship qualifying tests taken last spring.

Kenny W. Burgan, Harry R. Crowe, Sharon E. Guy and John D. Zwissler were the local seniors so honored.

The National Merit Scholarship Foundation issued the Letters of Commendation when the Upland foursome did not reach the semifinals.

## Supervisors Take Belt At Area On Tax

San Bernardino County supervisors took a belt at taxpayers in the Upland-Ontario area in regard to current drive for a district attorney branch office in Ontario by a citizens group.

**"You constantly want more services and constantly fight paying the cost," jibed S. Wesley Break, chairman of the supervisors.**

Added Supervisor Nancy E. Smith, "Cities demand more county services for city people but fought giving the county a fair share of state sales taxes.

The group headed by Arnold Anderson told the supervisors this area had 20 to 25 per cent of the county's population. This indicated need for a resident deputy district attorney, the citizens claimed.

**"You don't pay that percentage of taxes to support services," Chairman Break declared.**

On Upland and Ontario tax bills, the county bite is $1.71, or an increase over last year of 23 cents.

Request for the branch office was delayed until next year's budget hearings. "No money," was explanation of the supervisors.

Office space for a resident DA was promised by the citizens group. The Municipal Court law library in Ontario is proposed for the branch DA's office.

One of the arguments presented for location of a West End office was that Los Angeles County has a resident deputy district attorney in Pomona, and the ratio of convictions is higher on the Los Angeles side of the line.

## Holiday Disposal

There will be no disposal or garbage pickup in Upland on Thursday, Nov. 26 — Thanksgiving Day.

This was announcement by Upland Street Supt. Homer Greer.

Instead, rubbish will be picked up Wednesday, Nov. 25, garbage on Friday, Nov. 27.

Mr. Greer advised all residents to have their rubbish ready for pickup early since the city crew starts work at 7 a.m.

The city disposal site will be closed Thanksgiving, Mr. Greer announced.

# NEW BID BY SHOP CENTER ON FOOTHILL

The shopping center at southwest corner of Foothill Blvd. and Euclid Ave. returns for Upland City Council consideration at its Dec. 1 meeting.

Since those citizens in the area who are insisting that the accompanying "unilateral agreement" be "followed to the letter" requested advance notification of council deliberations on the matter, a crowd is expected in City Hall Council Chambers at that time.

Mayor Abner Haldeman explained to backers of the proposed 10-acre center that was main reason no action could be taken on their requests presented at the Nov. 17 Tuesday night council session. The mayor said this would give the newspaper time to notify the unilateral-conscious citizenry.

**Solid Citizen**

Byron A. Thalheimer, representing a shopping center developing firm, reported they had a "prospective purchaser' for the Miller-Brannan property. Mr. Thalheimer described the gentleman as "a pretty solid citizen with $3½ million."

He agrees to develop the shopping center under the unilateral agreement with just one year's extension, Mr. Thalheimer said. A performance bond will be put up to cover all offsite improvements, building on the 10-acre shopping center will start in Sept. of 1961 and remainder of the 10-acres to the west will be developed starting in Nov. of 1962.

Councilman William Kistinger moved postponement of the matter for study and review at the council's Dec. 1 meeting.

**People For It**

Ralph Miller rose to tell the council that the shopping center had a lot of people who were for it, but the developers had felt the hearings were closed and that "it is just a matter of working out final agreements." That is why the developers have not attempted to turn meetings on the subject into a popularity contest, Mr. Miller said. He reminded councilmen of a telephone poll once conducted on the shopping center location. "Eighty per cent of those contacted favored the shopping center at Euclid and Foothill," Mr. Miller said.

**Outside Service**

Also postponed for further study was the apparently controversial subject of "outside water service" by the city. The councilmen seemed split on whether such service would encourage or discourage annexation into the city limits.

Councilman Kistinger of the Water Committee recommended that the sale of city water outside the city limits be permitted. "City water is being used outside the city limits," he declared, "so we might as well make it legal at double the water rate of those within the city." He added: "Its an aid to annexation."

Councilman Jarvis Leman wasnt convinced. "How far is this to go outside the city?' he demanded. "It seems pretty loose. If those people can get city water without coming into the city, why not police and fire protection?' He pointed out the city had made considerable investment in its water system.

**Lucrative Business**

Mr. Kistinger claimed, "It will be a lucrative business for the city in extending city mains." He pointed out the outside users would have to put in the mains "which we consider adequate and which we acquire.

Noted Mr. Leman, "It would be more lucrative if they annexed to the city."

Mr. Leman wondered if it would be feasible to tie in annexation proceedings on the furnishing of outside water. "Maybe an agreement could be made that five or six years later they would make application to annex to the city,' he suggested.

City Manager Elwin Alder pointed out that the city has a resolution in effect since 1950 providing for sale of water to outside users at double city rate, but the council has not seen fit to take in other users since the initial action. Recent request by C and M Plumbing for outside

## UHS B's In CIF

Upland High School athletes added the Southern California Water Polo League's Bee championship to their varsity crown this week by defeating Sierra and La Puente by identical 7 - 3 scores in a three-way playoff Monday and Tuesday, Nov. 16 and 17 at Bell Gardens.

This sends Coach Jim Stewart's Class Bee squad into the CIF prelims against Whittier Friday, Nov. 20, at Long Beach Wilson High School come 4:30 p.m.

Upland, Sierra and La Puente ended the regular look season in a three-way deadlock for top spot.

## Retail Sales In Upland Increase

Retail sales in Upland increased $3,720,000, retail stores 18 and employe payroll $480,000 in the period between 1954 and 1958.

This is according to the preliminary area report on retail trade compiled from the 1958 Census of Business.

In 1958, Upland is credited with 123 retail establishments total sales of $16,675,000 and payroll of $1,672,000 for 493 paid employes.

The 1954 figures were 105 retail stores with total sales of $12,955,000 and payroll of $1,192,000.

# Ways-Means Meet

Upland's Ways and Means Committee will meet at 7:30 p.m. Dec. 2, it has been announced by Chairman Donald Carr.

Regular session of this citizens committee, which is studying community needs and a possible bond recommendation for the general April election, was postponed Oct. 28 due to absence of members.

The committee has been requested to conduct further study on the Montgomery report on a water master plan for Upland by Councilman William Kistinger. The councilman said the group "has the ability and knowledge that might result in further beneficial changes."

Councilman Kistinger requested a delay in acceptance of the Montgomery report for this reason. He pointed out changes had already been made in the report during a joint meeting of the water committees of City Council and the Ways and Means Committee. As an example, Councilman Kistinger said a change of future water reservoir locations from Euclid Ave. to the wash area would save the city $250,000.

The Ways and Means Committee may make recommendations Dec. 2 on a new civic center location. A civic center subcommittee is studying sites and cost of sites.

## Hearings Set For Planners On Thursday

A series of public hearings are scheduled for meeting of Upland City Planning Commission in Council Chambers at Upland City Hall at 7:30 p.m. Thursday, Nov. 19.

The meeting of the planners has been shifted to this date due to Thanksgiving Day falling on next regular meeting.

Hearings scheduled Thursday night include:

—Request for a conditional use permit to establish an asphalt hot mix plant within an open land district at northwest corner of Cucamonga Ave. and 20th St.

— Request for a zone change from poultry and rabbit raising district of 40,000 sq. ft. minimum to Highway Commercial district on three lots located at northwest corner of Mountain Ave. and Foothill Blvd.

—Request for variance to allow 13 lots to be created by subdivision with a depth of less than 130 ft. in a multiple residential district on the north side of Arrow Hwy. approximately 800 ft. west of Mountain Ave.

All interested persons are invited to attend the hearings and present evidence or or against the requests.

## Merchants' Annual Meet Nov. 30th

Annual meeting of Upland Retail Merchants Assn. will be held at the Stuft Shirt at 7 p.m. Monday, Nov. 30.

Robert Theall, president, is currently out of town due to a death in the family, but plans for the dinner meeting have proceeded.

Three new members will be elected to the board of directors of the merchants' association to join four holdover members.

Besides Mr. Theall, the present slate of officers include Vice President Malcolm Wise, Ernie Olson, secretary - treasurer; Directors Gene Dary, Val Ogella, Mae Lynn Campbell and Harry Dier.

Approximately 40 are expected to attend the annual meeting.

## Hearing On Education

Public hearing on Chaffey College's intent to discontinue its Adult Education program July 1, 1960 was to be held during meeting of the college district Board of Trustees on the new Alta Loma campus Wednesday night, Nov. 18, to start at 7:30 p.m.

Final decision in the matter was held up by the trustees for this public hearing, although belief has been expressed by Supt. Allan Smith of Chaffey Union High School District that the college district fully intended to drop the adult program. A study has already been launched by the high school board which is expected to lead to a pay - its - own - way evening high school for adults.

In other business on the college board's Wednesday night agenda was:

—Consideration of employment of a van company to move the college from Ontario to Alta Loma on Monday, Jan. 25.

—Authority to have the northwest corner of Fifth and Euclid appraised with intent to sell.

—Agreement with Chaffey Union High School District for transfer of Ontario campus facilities.

—Authorize call for bids on swimming pool.

—Report on Bowl Game possibilities for Chaffey College.

water service adjacent to Cable Airport re-opened the matter.

**Can Go West**

Mr. Alder also noted that this service from the city could actually only go west to the county line since that was the only area in need of city water. Ontario serves to the south, Cucamonga County Water District to the east and San Antonio Water Co. to the north.

Indication was that an amendment to the present resolution might be considered which would change control of hooking on to the city system outside from the Water Dept. to City Council.

**Caster Bean Study**

Action on the castor bean ordinance was postponed for further study, date unspecified.

Accepted was an $1800 offer for purchase of a city-owned lot from Mrs. Helen Warders Nylander for expansion of Antimite Associates at 126 N. Second Ave. The lot is located on the east side of Sixth Ave.

The city manager was authorized to proceed with necessary action leading to installation of sidewalks to eliminate the street problem on the southeast and southwest corners of Euclid Ave. and 15th St.

Remodelling of City Council Chambers through removal of the jury box was authorized at estimated $360-$400 cost.

Construction of sidewalks and curbs on a portion of Sycamore Ct. was authorized under the 1911 Act.

## Fire Threat To City Dad

A blaze in a shed next to home of Councilman William Kistinger at 1189 W. 16th St. Saturday, Nov. 14 destroyed several hundred dollars worth of property which was stored there.

Capt. Cecil Myers of the Sheriff's Sub - Station was driving down Mountain Ave. and saw the fire. Aided by an unidentified man, he used hoses to water down an adjoining wood pile and garage. The garage is attached to rear of the Kistinger home.

The fire was reported at 2:45 p.m. After one hour's service by Upland Volunteer Firemen, the blaze was squelched, according to Fire Chief Howard Paulin.

Chief Paulin said this was the first general alarm in Upland since Oct. 1.

Lost in the blaze was photographic equipment, radios, paint, electric motors, gasoline engines and wind machine parts used in orchard-warming devices.

# Upland Elementary PTA Hobby Show Successful

Combined Hobby Show and Family Dinner sponsored by Upland Elementary PTA was a fine social and financial success. Approximately 400 parents, teachers, and students were served. The affair was under direction of Mrs. Robert Erickson. Mrs. L.E. Griffith directed kitchen activities. The ham dinner was served prior to the Hobby Show through coordinated efforts of parents, Girl Scouts, Cub Scouts and Brownies.

A wide variety of hobbies and talent were displayed by students of Upland Elementary School. Results of the Hobby Show were as follows:

Lower Division — Collections — Dana Dier, First place winner with coin collection; Missy Sumter, Second place with dolls; Greg Craft, Third Place with mule team; Lower Division — Handwork —Jan Harmon, First Place with masks; Kathy Hart, Second Place with a hobby horse; Sally Harmon, Third Place with Indian clay articles.

In the Upper Division — Collections — First Place was won by Larry Fisher with a Nature Museum; Second Place, Pam Beaman with Insects; Third Place Vivian Rowberry with Postcard Scrap Book; Upper Division — Handwork—First Place Jerry Hatch with Popsicle Handcraft; Second Place, Judy Wilhoit with hand - made dolls clothes; Third Place, Danny Stewart with soap-carving.

Upland Elementary PTA President Mrs. Charles Bennighoff announced next event will be a Canned Food Drive under direction of Mrs. Vernon Coe, child welfare chairman. Canned food brought in by pupils of Upland Elementary School will be used in the Christmas Basket activity.

WORK IS UNDERWAY on Upland Woman's Club which is being decorated for the Annual Christmas Tour of four Upland homes Dec. 4. Taking a look at what has been done thus far are, from left, Mrs. Earl Wenger, hostess for the tour's Clubhouse tea; Mrs. John MacFarlane, program and ticket chairman; and Mrs. B. C. Stevens, general chairman. Proceeds from the Tour go into the club's Philanthropic Fund.—NEWS Photo

## Local Bank Women Attend 'Holiday Sparklers' Show

A preview of "Holiday Sparklers" will be presented to more than 250 bank women at annual fashion show and luncheon to be given under auspices of Women's Committee of Citrus Belt Chapter, American Institute of Banking, according to Mrs. Margaret Finn, committee chairman.

The affair will be held on Saturday, Nov. 21, at 12:30 p.m. at Orlando's in Pomona. Mrs. Virginia Moore, reservation chairman, reports advance ticket sales indicate a capacity attendance.

Styles for the career girl will feature sportswear, daytime wear, casuals and after-five fashions. Background music will be furnished by Larry Siebert at the organ. During course of the luncheon prizes, donated by valley merchants, will be awarded.

Models have been selected from the 44 banks within the Chapter area, which extend from La Puente east to Cucamonga. Representing the Upland banks will be Mrs. Genevieve Whalen and Mrs. Rae Jean Smith.

Special guests will include Frank Carr, National Associate Councilman, and Mrs. Carr; officers of the Board of Governors of Citrus Belt Chapter and their wives; representatives of the Women's Committees of the Harbor, Los Angeles, Pasadena, Riverside and San Bernardino Chapters. Invitations have also been issued to the Santa Barbara, San Diego, Ventura and Maricopa (Phoenix) Chapters to send representatives.

# Ontario

Ontario School District will seek voter permission to continue its 45 cent excess tax rate for five more years at an election on Feb. 16.

All solicitors in Ontario are now required to wear a city identification badge under a new ordinance now in effect. This includes persons soliciting for charitable organizations. All applicants under the ordinance are screened by police, with photographs and fingerprints placed on file. Fees are charged, ranging from $3 for charitable solicitors unless waived by City Council, to $50. The law excludes firms licensed under the city license ordinance.

Ontario City Aviation Director Woodruff De Silva has informed the City Airport Commission he will object to request filed by San Bernardino County for establishment of an airport adjacent to Norton Air Force Base. Declared Mr. De Silva, "Ontario more than adequately serves San Bernardino and the surrounding area, now and certainly in the future."

An appropriation of $178,591 for Ontario International Airport Improvements has been announced by the Federal Aeronautics Agency.

## No Disposal Turkey Day

All county rubbish disposal sites in the valley area will be closed on Thanksgiving Day, Nov. 26. This announcement came from the County Highway Dept.

Normally, the valley disposal sites are closed on four holidays — Christmas, New Years Day, Thanksgiving Day, and the Fourth of July—but are open on all other holidays except when they occur on Sunday.

Daily hours are 8 a.m. to 5 p.m. Monday thru Saturday and closed on Sundays.

## Student Recital

The Pomona College Dept. of Music will present another in its series of student recitals at 8 p.m. Monday, Nov. 23, in Bridges Hall of Music. The public is invited.

Try our Lay-a-Way Plan for your Christmas gifts. Harris Pharmacy, 205 N. Second Ave. (adv.)

## Honor Court Held Monday

With approximately 150 Boy Scouts and parents present, Serrano District Fall Court of Honor was held in Claremont Monday night, Nov. 16.

It was announced during the Court that Junior Leader Training Conference will be held in Upland Memorial Park Dec. 5-6.

The District's Annual Banquet, which offers recognition to Scouting leaders, is scheduled for Upland High School at 6:30 p.m. Tuesday, Dec. 8. Tickets at $2 each are available from the Council Office.

The color guard from Upland Troop 5 Monday night was led by Fred Dyer of Upland Troop 7.

Life Scout presentation was made by Ted Atwood of Upland to Frank Sutton, Troop 1, Cucamonga.

Robert Jenkins of Troop 7 received the Star award from Herb Hall, district commissioner.

# Raiders Unbeaten Flag Grid Champs

Striking quickly and with deadly efficiency, Coach George Schilen's Upland Junior High School Raiders completely outclassed Vina Danks, 45-0, to finish their league season as undefeated champions of the Upland-Ontario Flag Football League. In other games played Saturday on the local gridirons the Raider "B" scored a 25-12 victory and the "C" eight battled to a 20-20 tie.

**Aerial Circus**

The Raider "A' team partially abandoned their ground game and scored five of their seven touchdowns through the air-lanes. Fleet Bobby Ybarra nabbed four of Frank Martinez' tosses for tallies and Halfback Ray Trujillo gathered in the fifth on a 33 yard pass-run play.

F. Martinez ran 16 and 2 yards for the remaining Raider touchdowns. The conversions were scored by F. Martinez, Ybarra, and Bennie Omotoy.

The victory was sixth straight of the season for the locals and ran their scoring total to 203 points for the year against the opposition's 53.

Jason Yaple, Frank Martinez, and Gary Katona were outstanding on defense against Vina Danks. The local lineup included: Katona, Rey Leon, Yaple, Norman Hawkins, Trujillo, F. Martinez, Leo Martinez, Ybarra, Omotoy, Arthur Ramos, Richie Martinez, Louie Nuno, and Wayne Harmon.

**First Victory**

The Upland "B" team capped their season with their first victory of the year, 25-12. The locals lost their first three encounters, then battled to two deadheats, before breaking into the win column.

The Raiders struck twice in the first half with Tailback Gil Perez sprinting 40 yards for the first tally and passing to Richard Robbins for the second.

Perez passed to Jerry Cabunoc for the opening touchdown of the second half and followed with a flip to Dick Thoma for the conversion. The final touchdown of the tile came on a 10 scamper by Perez in final period.

**Runners-Up**

The Upland "C" brigade battled Vina Danks to a 20-20 tie that preserved undisputed second spot in the league standings for the locals. The deadlock left the locals with a season record of three wins, two losses and a tie.

Again the passing chores were handled by Halfback Larry Van Tiem who passed for two touchdowns and intercepted a pass and returned it 25 yards for the third local touchdown. Van Tiem passed to Bob Dier for 15 yards and six points, then tossed in the flat to Dier who ran the remaining 40 yards to score. The two successful conversions were on runs by Ted Thrasher.

The local lineup included Steve Harmon, Gayle Files, Randy Vickers, Dan Horak, Jess Ostrum, Robert Smith, Thrasher, Dier, Joe Hughes, Van Tiem, Fred Kamansky,

# New Art Gallery Opens Officially On Saturday

Chaffey Community Art Gallery, first venture of its type in the area, has been organized at 422 W. B St., Ontario. Official opening of the gallery, which will give artists an opportunity to exhibit and offer their works for sale, is scheduled for Saturday from 10 a.m. to 7 p.m. It will be open Sunday from 1 p.m. to 6 p.m. and will thereafter open daily only from 9 a.m. to 5:30 p.m.

Indicative of enthusiastic response to opening of the gallery is the fact that 36 artists from Ontario, Chino, Claremont, Fontana, San Bernardino and Upland responded with works already received and on exhibition. Market value on the exhibits is set by the creating artist.

Exhibitors from Upland include E.S. Duvall, 153 E. Eighth St., Thomas Hicks, 400 Hervey Ave., and Elizabeth Brown, 874 Washington Blvd.

The gallery is sponsored by Ad-Service Co.

# Citrus Group To Hear Smog Report Here

A report on air pollution by Dr. Clifton Taylor of the Citrus Experiment Station at Riverside and John Fairweather, San Bernardino County Air Pollution Control Officer, will be given to the Upland Citrus Discussion Group, according to Dick Puffer, farm advisor.

Don Meredith, chairman of the Upland Citrus Discussion Group, says the meeting is open to all citrus growers. The group meets on Monday, Nov. 23, at 8 p.m. at the OK San Antonio Fruit Exchange, 217 "A" St., Upland.

Dr. Taylor will report on air pollution research program for University of California. This report will include a discussion on the effects of air pollution on citrus. Mr. Fairweather will report on air pollution control in San Bernardino County.

# CFBF Meet Attended By Upland Man

George TeVelde, Upland, state vice chairman of California Farm Bureau's Dairy Dept., is one of those who represented San Bernardino County in the annual CFBF convention in Los Angeles.

TeVelde's election as vice chairman of the dairy department was confirmed by the Federation's house of delegates on last day of the convention.

A long time member of Farm Bureau, TeVelde joined the organization in 1929. He keeps 825 head of dairy cattle on his Upland farm.

# Highlander Harriers In Second Spot

Upland High School's harriers were second in a Tri-County triangular meet last week at Claremont.

Chino's varsity topped Upland and third place Claremont, 16-47-77, while the junior varsity cross country squad bested Upland 23-36. Claremont did not field a JV team.

Sergio Estrada led Upland varsity leather - lungers with a fifth place finish. Ray Herrera and Gary Hartshorn were Upland finishers in the first 10.

Cornie Ballon of Upland took third place on the junior varsity gallop. Bob Young and Ken Smith finished among the first 10.

# 'RELUCTANT' DEBUTANTE' OPENS HERE ON FRIDAY

"The Reluctant Debutante" will be presented by Upland-Ontario Productions in Central School Auditorium, 415 E. G St., Ontario, Friday and Saturday, Nov. 20 and 21. Curtain will go up each night at 8:15 p.m.

A fast-moving sophisticated comedy, the play is directed by Barry Alexander, speech coach at Upland High School. Its production is sponsored by Upland - Ontario Junior Chamber of Commerce.

Official ticket agencies in Upland are Darys', 226 N. Second Ave., and J.J. Atwood Department Store, 215 N. Second Ave.

Miss Barbara Hammond stars as Sheila Broadbent, a busy and sometimes confused mother. A graduate in speech and drama from University of Iowa, Miss Hammond now teaches English at Upland High School. She is experienced in Community Theatre and radio work in Cedar Rapids, Iowa.

Co-starring is Charles Newton, playing Jimmy Broadbent, the father. Born in Upland and now residing in Claremont, Mr. Newton took a year of dramatics at Chaffey College.

Gail Liskey of Pomona portrays Jane Broadbent, the daughter. Elected 1955 Los Angeles County Fair Princess, Miss Liskey gained dramatic experience in Mt. San Antonio College productions and has been participating in local little theatre groups as musical director and assistant director. She is active in Delta Psi Omega, honorary dramatic fraternity.

Maxine Elizabeth Lentz plays Mable, an English woman of ceaseless chatter who is searching for a proper husband for her daughter, Clarissa. Now a resident of Cucamonga, she starred in 13 plays in Oshkosh, Wisc.

Other roles are taken by Cary Reeder, Jerry Epps and Miss Jimmie Collum.

REHEARSING FOR scene in "The Reluctant Debutante," Upland-Ontario Productions presentation scheduled for Friday and Saturday nights, Nov. 20 and 21, are, from left, Barbara Hammond, Maxine Lentz Coates and Charles Newton.

# Talks Continue On Use Of Water District Tax Money

Further talk about Cucamonga County Water District plans for using now some of the tax money collected from the Mid-Valley Area will take place between the Cucamonga County Water District attorney and Counsel Henry M. Busch, counsel for Chino Basin Municipal Water District.

Mr. Busch informed directors of the Chino Basin district a conference between them will take place during this week's (Nov. 17-20) Irrigation District Assn. convention in Las Vegas.

Assistant Manager Lawrence A. Coleman of the Chino Basin district was also authorized to attend the Las Vegas convention if he so desired.

In other actions at regular meeting of Chino Basin board of directors Thursday, Nov. 12, in district office, 8555 Archibald Ave., Cucamonga:

It was moved that Director John D. Saussaman be granted a two-month leave of absence from continental limits of the United States. He is on a mission to India for Kaiser Steel Corp.

A possible salary increase for the assistant manager was discussed. It will be taken up at next meeting of the board when Mr. Coleman has returned from vacation.

Next meeting of the board is scheduled for Friday, Nov. 27 since regular meeting date falls on Thanksgiving.

## Burglar's Loot

The Rayburn R. Anderson family returned home Thursday night, Nov. 19, to find that not only had their home been burglarized but the watch dog was missing too.

Mr. Anderson told police that missing from the house at 1310 N. First Ave. was a camera and photographic equipment, portable radio, jewelry, a wallet and seven-week-old Dachshund puppy.

Total loss was valued in excess of $200.

# Museum Support Grows

Etiwanda School Principal Sidney Moses, who is also president of San Bernardino County Elementary Administrators has urged all elementary school teachers of the county to support the Bloomington Museum. He called on the County Board of Supervisors to provide greater support.

The administrators voted to contribute $100 in the current drive for a new art and science wing.

In is address before annual Western Museum Conference at Asilomar, Roy E. Simpson, superintendent of public instruction called attention to the Bloomington Museum:

"Because of the interest of the superintendent, Dr. Gerald Smith in the history, archaeology and anthropology of the area, a creditable museum has come into existence in an attractive small building that was actually constructed by the men of the community."

Willis Grafton will show a colored film on "Saratoga Springs" at meeting of the San Bernardino County Museum Assn., Thursday, Nov. 19. The film will follow a discussion of news and events which starts at 7:30 p.m., in the Museum's auditorium at 18860 Orange St. in Bloomington. The meeting and program will be open to the public without charge.

Collections showing history of Southern California and nature subjects to be found here continue to increase. The Huntington Beachcombers, a group of young naturalists, have given the museum some shells representing salt water molluscs along shores of Southern California. The shells are mounted on panels and neatly labeled with identification and source.

A four-wheeled logger from Cedar Pines Park is "keeping company" with the old two-wheeler on the east side of the director's office, just beyond the Museum's parking lot. The horse drawn truck saw heavy duty in the early logging days of San Bernardino County.

# Seniors Host Parents On Thursday Eve

Parents of Upland High School seniors are invited to their last Parents Night, Thursday, Nov. 19, according to Claudia Owen, publicity chairman for the event.

"We began this custom as freshmen four years ago, and this will be our last opportunity to entertain our parents as a group," she said.

The annual event is scheduled for 7:30 p.m. in the cafeteria, where the parents will be entertained with a variety show, followed by a social hour and refreshments.

John Robison is senior advisor.

## HIGHLANDERS HOODOO CHINO: BONITA NEXT

Taking advantage of upsetting conditions always attached to Friday the 13th, the Upland High School football varsity did same to Chino's Cowboys, 19-6, for the Highlanders first Tri - County League triumph in four outings this season.

It was just in the nick of time, too.

Tri-County finale of the grid season for Upland's prepsters occurs here against Bonita at 8 p.m. Friday, Nov. 20.

The Upland eleven had gone six straight quarters without a tally until QB Joe Valadez connected with end Kenny Walker late in the third quarter.

**Long Gainers**

Coach Lovitt's Highlanders battled the host Cowboys during the first half with a series of long gains and key aerials. Doug Long got the Highlanders in scoring territory twice with runs of 32 and 22 yards with the first jaunt carrying to the Cowboy 9. However, the nine-play drive was stopped short in the 4.

Louie Schmutz also was key performer for Upland in the first half by snagging a Wilcox pass on the Highlanders' first play from scrimmage for 21 yards. Schmutz ran back Chino's punts for considerable yardage.

**Seesaw Session**

Both squads seesawed back and forth through out the third quarter. However, with a fourth down and 7 situation on the Chino 45, Valadez booted a 42-yard punt which was fumbled by Chino safety Rich Metzger. Steve Fleming pounced on the loose ball and Upland had it first and goal on the Chino 7.

After a five-yard penalty which set the ball back on the 13, Valadez reeled off to hit Walker fading into the end zone for the TD. Wilcox' PAT kick was wide.

The Highlanders, spearheaded by the passing of Valadez and the receiving of Schmutz and Walker, found themselves with a second and 15 on their own 24. Valadez fired to Schmutz who took the ball away from four Chino defenders for another gain of 21 yards. This play set up the play of the night.

**Play of Night**

With first and 15 on their own 40, Valadez rolled out to his right, Walker completely fooling the Cowboys' secondary, and Valadez hit the Senior end with a pinpoint serial. Walker sprinted for the TD, the play covering 60 yards. Wilcox' placement was true for a 13-0 lead with 10:36 remaining in the game.

However, the Cowboys came roaring back with Phil Strona at the reins. After receiving the insuing kickoff from Ken More, Strona broke around end for a 50-yard scamper from scrimmage. Ruben Lara's PAT failed and the Highlanders held onto a 13-6 edge with 9:18 remaining.

Upland's final touchdown of the night came on a 12-play drive which started from the Highlander 40. The Valadez-Walker combination again proved the trick as the two highlighted the drive with a 40-yard pass play which carried to the Cowboy 29. Valadez then hit Schmutz for 15 yards, Long for 10, and it was first and goal on the two.

It took four downs, but fullback Jon Kay finally found paydirt to make the final score 19-6. Coach Lovitt praised the defensive work of Kay, Smith, Schmutz, and Lotz in the victory and the offensive play of Long, Hansen, and of course Valadez.

## Game Preserve $10 Burglary

An application from Etiwanda Game Assn. will be considered by San Bernardino County Planning Commission Thursday morning, Nov. 19.

The application requests approval of a location and development plan for a trap and game shooting preserve in the north Fontana area.

## Pheasant Hunter

A pheasant hunter was killed in a single car crash at Foothill Blvd. east of San Antonio Ave. early Sunday morning.

Police found Wayne Elliott Byrd, 32, Covina, dead at 4:45 a.m. He had been on his way to Etiwanda to hunt pheasant when he had apparently dozed at the wheel. His companion, Max Sutton of Covina, was not injured.

# Upland Wins First Crown

First varsity league championship in any sport in history of Upland High School was captured by Coach Jim Stewart's Highlander water polo team when it defeated Sierra at Whittier Thursday, Nov. 12, 15-3.

This feat shoots Stewart's stalwarts into the CIF play offs which opens Friday.

Declared Coach Stewart of the Sierra fray: "This was without a doubt our finest played game of the year."

Pacing the fifth straight win in Southern California Water Polo League play which gave Upland the crown was Tom Chalberg with seven goals. The other two Highlander forwards, Tom Strack and Rod Becker, netted four goals each.

Doug Zwissler, senior goalie, who contributed 10 saves to the cause, was elected captain for the year following the fray.

Also outstanding against Sierra was the fine defensive effort of guards Pete Allen, Vern Murray and David Callow.

The win maintained a perfect 5-0 league record for the Highlanders and an overall 9-2 performance.

The Upland Bees muffed opportunity to clinch another undefeated loop title for the Highlanders when they were dunked 9-5 by Sierra. This plunged the league into a threeway deadlock among Upland, Sierra and La Puente with 41 marks. Representative in the CIF playoffs is being decided by a playoff which started Monday with Upland vs. Sierra at Bell Gardens.

Upland's Cee squad dropped a 7-2 conflict with Sierra and finished third in the loop with a 3-2 mark behind undefeated La Puente and once-downed Sierra.

Ed Cutshall was voted captain of the Highlander Cees.

## Junior Varsity Gridders Down Chino 7-6 In Finale

Upland Junior Varsity football team ended its season with a 7-6 victory over Chino on Highlander Field Monday, Nov. 16. The triumph gave the local JV an even split off the overall season with a 4-4 record.

The local lads had to come from behind for the win.

Chino scored first in the third quarter. Key play, as far as Upland was concerned, occurred when middle guard Joe Bare barrelled through to block the extra point attempt.

Sparked by Quarterback Ken More, Upland came right back to win the tilt in the same quarter. More set up the Upland touchdown with a 23 yard gallop, then scored from the 2 on a quarterback sneak. His placekick wrapped up the fray.

Coach Herb Christian expressed satisfaction with his squad in that after dropping its first three outings, the Upland JV captured four of the last five games.

Recapitulation of the other games this season: Upland 6, San Bernardino 25; Upland 13, Ganesha 49; Upland 15, Twin Pines 18; Upland 52, Bellflower 0; Upland 28, Colton 13; Upland 13, Pomona 39; and Upland 69, Corona 6.

# CUCAMONGANS TESTIFY AT ASSEMBLY HEARING

Cucamongans joined the parade of witnesses appearing before the Assembly Committee on Natural Resources, Planning and Public Works in San Bernardino last week.

Testifying were Norman G. Hixson and Harold B. Blatz.

Attending the meeting from Upland was Eugene G. Nisbet, 72nd District Assemblyman for San Bernardino County.

Mr. Hixson, manager of Cucamonga County Water District and president of West End Soil Conservation District, claimed administration of Public Law 566 is "not consistent with California watershed conditions."

Public Law 566 is the Small Watershed Protection and Flood Prevention Act.

In regard to the Upper Chino Basin project, long pending in this area, Mr. Hixson said he didn't know whether there was a project. He referred to the fact that it is among many projects upon which no appropriation action has been taken by the Bureau of Budget and nothing can be done because no money is available. Applications for funds seem to be in what was described as an "inactive" status.

Mr. Hixson said there was a reason why Bureau of Budget funds are not being made for the project: The cost is larger than costs of projects in other states. He expressed belief California is not getting its rightful share of such projects in relation to the amount of revenue it contributes to the public treasury.

Mr. Blatz, president of California Assn. of Soil Conservation Districts, called the State sponsored conservation bill, No. 1144, good except that more money is needed.

The bill provides approximately $100,000 per year. Originally the statewide allocation was to be $750,000.

Arthur L. Darsey, chief of California Division of Soil Conservation, asked the State Legislature to revise the State Water Code to allow reclamation districts to participate in drainage, flood control and irrigation projects under Public Law 566. He also asked the Legislature to request Congressional modification of the law to help solve California's water conservation problems.

F.H. Raymond, state forester, named Upper Chino Basin project among those necessitating additional fire protection.

## Committee Launches Push For Area Flood Control

"Operation Flood Protection" has been launched by a committee composed of civic leaders from Riverside and San Bernardino counties. Objective of the committee is "public awareness of the helplessly exposed area extending from Ontario to Fontana and from the Foothills to Mira Loma in the face of flood threats."

The committee, with headquarters at 377 Court St., San Bernardino, will push for immediate approval of federal funds for the Upper Chino Basin Watershed now popularly called "Operation Flood Protection."

Hading the groups of businessmen, water experts, ranchers and residents on the committee are Harold A. Blatz, Cucamonga; Coral B. Davis, Riverside; Ken W. Dyal, San Bernardino; Robert J. Ogdon, Mira Loma; Ted Silverwood, Redlands and Yucaipa; and Del Stephenson, Riverside.

The flood control project will provide effective protection to the only major area of the San Bernardino Valley not now guarded against floodwaters.

Backed by county flood control officials and federal agencies, the project is ready for the appropriation stage in Washington, D.C.

## Red Fair Talk Topic

Barbara Hawkins and Ceil Kadunc, Upland High School students, attended Career Day in Diplomacy and World Affairs at Occidental College, Monday, Nov. 9.

Faculty members at Occidental discussed international careers and necessary academic preparation for these careers. A panel of Occidental students reported on their international experiences as participants in Occidental's exchange program for study tours.

## Cucamongan Sentenced

Judge William J. Clark last week sentenced a Cucamonga man to a $100 fine and a suspended 90-day jail term on condition he pay the hospital bill of an Alta Loma man he injured.

Philip B. Gonzalez, 20, 10324 Humbolt St., Cucamonga, appeared in Ontario Municipal Court on a reduced charge of assault and battery. He was originally booked by sheriff's deputies for investigation of attempted murder after attacking Marcus Escobar of Alta Loma.

Gonzalez entered a guilty plea.

A juvenile companion of Gonzalez was turned over to juvenile court.

## Still Time To Hunt In Etiwanda Co-Op

There's still time to hunt in the state-operated public pheasant hunting area near Etiwanda, where a 10-day co-op season opened Saturday, Nov. 14. The Department of Fish and Game offers the following instructions:

The Etiwanda co-op hunting area is located about six miles east of Upland. Southern boundry of the hunting area is San Bernardino Freeway. Western boundary is Haven Ave. Northern boundary is Highland Ave. The eastern boundary varies, but all of the hunting area is west of Etiwanda Ave.

Hunting is free, on a first-come, first-served basis but by permit only. The area handles 520 hunters at a time. Pheasants are restocked daily.

There are three permit stations located (1) on Baseline Rd. one mile east of Haven Ave. (Baseline Rd. is one mile north of Foothill Blvd.); (2) just south of Eighth St., one mile east of Haven Ave. (Eighth St. runs east and west, 1½ miles north of San Bernardino Freeway); and (3) on Colton Ave. just west of Milliken Ave. (from San Bernardino Freeway turn north on Milliken for one-eighth mile to Colton Ave., then west to permit station).

All permit stations open at 7 a.m. daily during remainder of the season. Shooting hours on the co-op are from 8 a.m. to 4:30 p.m. daily.

An exception to the first-come, first - served rule is that, after opening day, first-time hunters will get priority over repeat hunters. Non-hunters will not be permitted in the hunting area.

## Etiwandans Score County Building Win

Etiwanda residents have not been having much luck in their lengthy battle against location of a county disposal site in their area, but they have finally scored a victory in another county field.

The Board of Supervisors gave in to request of Etiwanda residents regarding location of a proposed county building there. To do so, the supervisors had to over-rule the County Planning Commission.

Joe D. Lopez, owner of Etiwanda-approved property on Etiwanda Ave. north of Langham Ave., filed an application for site approval. It was rejected by the planning body. Reason: All the adjoining property was single family residential.

Etiwanda residents appealed to the supervisors. They approved the Lopez location. He will construct a building for a justice court and county branch offices. The county will lease the structure.

Previously the supervisors had approved a county building on Foothill Blvd. Etiwanda residents objected.

The residents said they would reimburse owner of the Foothill property for any expenses he may have incurred.

## College Now In Business At New Spot

Vanguard of Chaffey College move to the new Alta Loma campus, the administrative and business offices are now open.

The new Chaffey College telephone number is Yukon 28951.

Dr. Daniel Milliken, college president, and other administrative staff members, along with Comptroller William Grigsby, are now handling all college administrative and business details on the Alta Loma campus.

**Larry L. Strohm,** airman apprentice, USN, son of Mr. and Mrs. W.A. Strohm of 873 N. 11th Ave., Upland, is serving aboard the attack aircraft carrier USS Ticonderoga operating with the U.S. First Fleet out of San Diego.

**The Pentagon** in Washington, D.C., has more than three times the floor space of the Empire State Building.

AERIAL VIEW of the new Fruehauf Trailer Company Vina Vista plant shows the 150,000 sq. ft. of manufacturing area located on 100 acres of land at San Bernardino Freeway and Haven Ave. Number of employes is scheduled to jump from more than 200 to better than 250 about first of the year. Within two years, 500 are expected to be employed.

# Fruehauf Employs 160 In Area

Official opening of the huge Fruehauf Trailer plant in the Vina Vista Industrial and Aviation Center at San Bernardino Freeway and Haven Ave. was attended by 500 persons Thursday morning, Nov. 12.

MANAGER of Vina Vista Plant, Fruehauf Trailer Co., is Sam Keeter.

Among those attending were Richard Manley, San Bernardino County supervisor from Upland; S. Wesley Break, chairman of the supervisors; Supervisor Mrs. Nancy E. Smith and John H. Fairweather, county air-pollution officer.

**No Smog Threat**

Mr. Fairweather told The Upland News: "There should be no air pollution problem here. This is a fine modern plant with stainless steel construction and complete disposal equipment in this wood work mill shop."

A.A. Kearney, vice president of Fruehauf's Pacific Coast Division, reported more than 200 employes were at work with 40 supervisory employes brought here from the Los Angeles plant. Balance of the employes are local. Mr. Kearney said full production should be reached about first of the year when 250 will be employed. However, he added, this would not be the ultimate employment number.

**Commercial Orders**

The Vina Vista plant will handle exclusive production of commercial flatbed and van type trailers for distribution in the area west of Omaha, Nebr., according to Manager Sam Keeter. The Los Angeles plant will now handle only government and military production.

Opening of the Vina Vista plant without government orders to fill marks culmination of a three-year expansion plan of the trailer company which presently claims to have one of the largest backlogs of trailer orders in history.

**For Peru Mines**

Also in manufacture here are heavy duty ore hauling trailers, on order for the ore mines of Peru.

Fruehauf has 11 plants in the United States and some on foreign soil. This is the fifth plant on the West Coast.

With capacity of 200 trailers per month, this factory represents an investment in building and tooling of approximately $2 million.

## Prep Speakers' Brochure Ready For Upland Clubs

Service clubs and other organizations in the community have received a brochure prepared by Upland High School's speech department, listing its 1959-60 club speaking program.

Speech students are practicing the topics they are scheduled to offer in a 20 to 30 minute program. Interested organizations are invited to call Barry Alexander, speech coach, at Upland High School for further information.

Mr. Alexander said purpose of the program is to give speech students opportunity and experience of performing before a community audience. It also gives the community a chance to see work done by high school students in speech.

Speakers and topics available are: David Wadleigh, Jazz Fantasia; Pamela Arterburn, Advertising; Highway to Madness; Carlos Ynostroza, Pardon my Penmanship; Mike Pugh, The Camera and the Age—A History of the Cinema; Sandra Baumgart, The Deep South Says Never; Kathy Cramer, Through Better Books, a Better You; Glenn Graham, Brotherhood Universal; Linda Hixson, Moods in Music; Richard Kermer, Conquest of Space; Annette Filpi, The Might TV Tube; Bonnie Mackenzie, The Silent Killer—Cancer; Sharon Mahar, What are you Listening To?; Eileen Meffered, Are Teenagers Really a Problem?; Dori Mendoza, The Beat Generation; Donna Olsen, Faith Around the World; Frances Pitts, Art in a Changing World; Linda Sampson, Oriental Architecture; Pat Stricker, Let's Travel; Sharon Guy, The Land of Tranquility—the Netherlands; Joseph Stone, La Revolution Francaise; Martin Kohli, Our Swiss Neighbors.

## Jeffrey Holds Radio Fort As President Of New Club

Jeffrey Fort is president of the newly - formed Upland High School Amateur Radio and Electronics Club, meeting alternate Thursday nights in the UHS electric shop.

Dale McKeon, sponsor, outlined aims of the new club, organized by request of a group of students interested in electronics. The boys plan to study amateur radio and related electrical equipment. They will maintain audio equipment for sporting events at the school, and furnish the personnel to operate it.

Mr. McKeon said the club has applied for a citizens license and will begin practice broadcasts as soon as possible. By next semester, the group hopes to have a general amateur radio station. Mr. McKeon, who has held a commercial radio license, will tutor the boys on radio techniques.

Club members must have previous radio instruction, or must be now enrolled in the subject.

Other officers are Robert Burleson, vice president, and Bob Fox, secretary - treasurer. "We hope to learn a lot and to be of service to the school," Fort said.

Good Housekeepers

# 10 Men, 2 Women Keep 40-Acre Campus Clean

By POLLY PICARD

Forty acres of sparkling clean campus and buildings—that is direct responsibility of Upland High School's good housekeepers, the custodial staff. Quietly, efficiently, these ten men and two women go about their work eight hours a day. And after they go home, an additional two appear and patrol the campus as night watchmen.

Ralph Parsons, supervisor of the crew, watches over 63 classrooms in addition to the shop building, library, administration building, gymnasium, physical education buildings, cafeteria, bookstore and swimming pool.

Normal daily use of the campus results in an accumulation of about 400 wastebaskets of used paper and other debris which are collected and taken to pick-up stations on the campus. The Chaffey District trucks then loan and dispose of them.

**Most Effective**

Perhaps the most effective job done is the mammoth task of cleaning the campus after about 1400 students have eaten their lunches on the grass. They bring lunches from home, or buy from the snack bar. However, within ten minutes of the class bell, not a trace of the king-size picnic is to be seen.

Mr. Parsons explained, "In fairness, we must say that the students are a tremendous help. They have a great pride in their school, and try to keep it neat and beautiful. We find very few evidences of carelessness."

Besides the job of maintaining cleanliness, the custodians supervise parking at all school functions. "They are the first ones to arrive and the last to leave," Mr. Parsons says. They regulate the lighting, secure the campus by locking all doors, and they also move and rearrange furniture for special events.

**Outstanding Example**

An outstanding example of the staff's housekeeping skill is the arts and crafts building. In spite of the fact that it holds classes in painting, pottery, woodworking, metal working, auto repair and a darkroom, it is immaculate. Students clean up at the end of every class period, and at no time will one find the floors littered with sawdust, grease, metal filings, or other discards. The custodians clean the building thoroughly every day.

During the summer the crew overhauls the campus. Every inch of floor is scrubbed and waxed. The furniture is washed down, and polished. Every window is washed and the rooms readied for the next school year.

One of the men, Lloyd Shugart, supervises operation of the eleven gas furnaces, the cafeteria and crafts buildings' heating elements. He keeps surveillance over the thermostats and helps with custodial duties in the crafts building. Until this year, Mr. Parsons checked the furnaces but the addition of more buildings increased his job load.

**Hobby In Use**

John Henderson, custodian of the cafeteria, has used his hobby of photography to an advantage. On his own time, he has taken a number of pictures showing many possible seating arrangements in the cafeteria. He is using them for use in planning events there. His voluntary work on this venture shows the deep affection the men have for their school and what goes on.

Other assignments are: Charles Burritt, homemaking and English buildings; Ralph Smith, arts and crafts, Ernest Bailey, administration and social science; Floyd Beardsley, business education, language, and music buildings; Ralph Anderson, gymnasium; Carl Skipper, swimming pools and library; Nell Balding, matron, Willie Mae uhns, matron and equipment manager in the girls' physical education department; and Robert Hill and Edward Schwandt, night watchmen.

Eight boys are employed part-time from 3 to 5 p.m. to assist in classroom cleaning and dusting.

AT PICK-UP STATION on Upland High School campus are three members of the custodian staff which keeps the 40-acre campus in apple-pie order, from left, John Henderson, Charles Burritt and Ralph Parsons.

## Protect Your Tax Dollar From Duplication Waste

The County we live in wants to build an airport. This, of course, will come out of the taxpayer's pockets.

At the same time, we have in nearby Ontario an airport that is destined to grow and become second only to the big International Airport in the sprawling Los Angeles area. In fact, the Ontario airport already has assumed this stature.

We see no need for the county to pour untold dollars into another airport that will be a poor attempt at duplicating the facilities we already have.

There is a Federal Aviation Agency hearing scheduled Monday, Nov. 23 at 9 a.m. in Los Angeles to consider the county request.

Our supervisor is Mr. Richard Manley. Telephone No. 2-3615. Address: 706 N. Euclid, Upland.

## Future Tax Bills Only Ones We Can Reduce Now

From the rising chorus of yowls from taxpayers, we think there is no better time to point out one or two items:

When hearings are scheduled on budgets that determine the expenses of the future, that is the time to attend and raise the dickens.

When we face elections, we need absolutely clear statements from our candidates on whether they will, in fact, refuse to raise the taxes involved, or not.

By taking part in our affairs as citizens should, by making our voices heard—and by electing the people who will spell out a program, we may salvage something yet from the tax mess this country is in now.

## It's Time To Get On Ball About P.O. Intersection

This city had better do something about the intersection of C St. and Fifth Ave. where the Post Office is located before traffic accidents of consequence begin happening.

We have been lucky so far.

No accidents have occurred.

But the potential is enough to make your hair stand on end even if you haven't got a crew cut.

Obvious step would be a stop sign at Fifth Ave.

The thinkers will have to come to some conclusion about wrong-side of the street drivers who want to reach the motorist mailbox on the south side of C St.

It would appear the only way to stop this is for the Post Office to install another roadside mailbox on the north side of C St.

One minute while we get our lance at the ready to take on that Federal Government windmill!

## Claremont Colleges Calendar For Week

## One-Way Pattern

Horace F. Sutt, Upland division county road superintendent, has proposed a one-way street pattern for Mt. Baldy.

The County Traffic Committee notified the Board of Supervisors, "The committee feels that a better traffic pattern can be achieved by posting Camp Baldy Rd. as a one-way street in a counter clockwise manner near its intersection with Ski-lift Rd. Also southbound traffic on Camp Baldy Rd. should stop before entering the intersection with Ski-lift Rd."

# New Unit At Hospital

RADIO-ACTIVE ISOTOPE Scanner unit at San Antonio Community Hospital is demonstrated by Technician Mrs. Clair Doan and Administrative Intern Mort Walser.

Employes and guests of San Antonio Community Hospital learned of the medical uses of radio-active isotopes at a seminar held Wednesday evening, Nov. 11, in the Barr Solarium of the hospital.

The topic, "Radio - active Isotopes in Clinical Medicine," was programmed as one of the regular educational seminar meetings and also fulfilled necessity of orienting hospital personnel to characteristics of working in proximity with newly acquired diagnostic and therapeutic isotope equipment.

This equipment, a Radio-isotope Scanner - scintilator Unit, has recently been installed at the hospital. It is one of the very few of its type available in this area for patient treatment. Mrs. Clair Doan, hospital radio-osotope technician, is specially licensed to handle radio-active substances. Distribution of radio-isotopes is controlled by the Atomic Energy Commission of the Federal Government. Mrs. Doan operates the new unit in conjunction with specially trained members of the hospital medical staff and under the license and sanction of the A.E.C.

Use of radio-active isotopes in routine medical diagnosis and therapy has become a well established procedure in many of the major hospitals and clinics. Medical techniques involving the use of radio-active substances have now been sufficiently standardized to permit smaller institutions to undertake isotope programs.

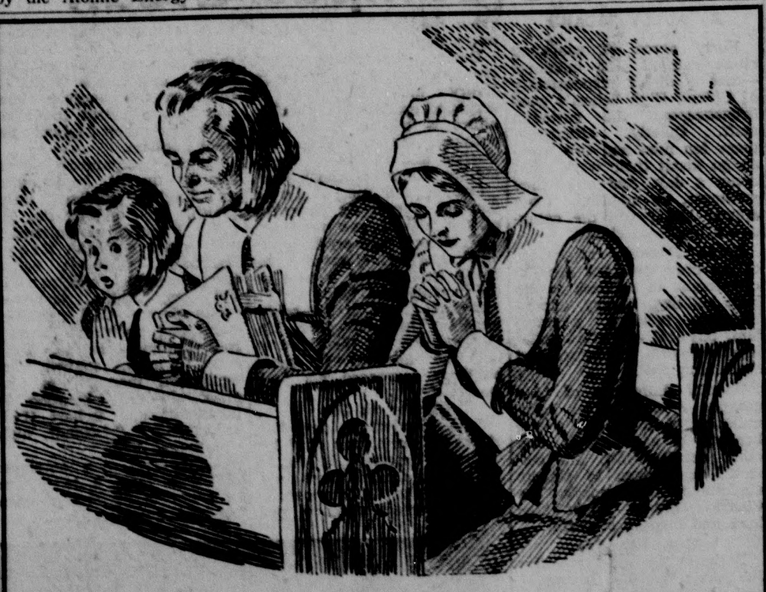

The major uses of radio-isotopes in medicine are as follows:

**Thyroid diagnosis:** This application is one of the most used at the present time, involving the use of Iodine 131 for the determination of the function of the thyroid gland in the individual patient. In many instances, this procedure will replace the basal metabolism test. Since only small amounts of radio-active material are used, the only items necessary for the protection of personnel are radio sensitive film badges and a monitor to check for possible contamination. The presence of thyroid cancer is one of the diagnostic detection uses of Iodine 131.

**Thyroid Therapy:** Iodine 131 is also used for the treatment of thyroid malfunction, for the radication of thyroid cancer in cases where the tissue is susceptible, and for the treatment in certain severe cases of chest pain due to heart disorders.

**Lung and abdomen therapy:** Radio - active Chromic Phosphate is used in some cases of metastatic cancer involving the lungs and tissues of the abdominal cavity.

Purchase of this equipment was made possible by friends of the late Dr. C. Norman Abbott.

## FAITH in the Future!

Although we live in a streamlined age devoid of the simpleness of Puritan life, we still possess much the same fear and faith in the future as the Puritan had. While the Puritan overcame his fear by trusting to God and his flintlock, people today need not depend on powder and shot. Instead, they look to their bank to insure them safety, and to guarantee their future security.

## Tax Fax

(A Public Service of The Society of California Accountants)

Income taxes may seem a long way off right now, but they are not. We have to live with taxes every day of our lives and if we want to pay only our share we must keep accurate records of our finances and so shape our daily lives to produce the lowest tax result.

These columns are intended to help you in a general way: to give you the answers to the most often asked questions about income and deductions and to point out the tax saving possibilities that may be open to you. If you have a specific problem you should consult the accountant of your choice as early as possible.

There may be some things you should do now, before the end of 1959, that could make a big difference in the tax you will have to pay, or the refund you will receive, in 1960. Future columns will tell you what these things are. Watch for them.

Sometime you may hear or read that tax savings are morally or legally wrong. That is not so. Judge Learned Hand expressed it so well when he said, "Over and over again courts have said that there is nothing sinister in so arranging one's affairs as to keep taxes as low as possible. Everyone does so, rich or poor; and all do right, for nobody owes any public duty to pay more than the law demands: taxes are enforced exactions, not voluntary contributions. To demand more in the name of morals is mere cant."

## No Official DAR Board Meeting

There will be no official board meeting of San Antonio Chapter, Daughters of American Revolution Thursday, Nov. 19.

The reason?

Regent Mrs. Elmer S. Seapy attended the Southern California District State Council Tuesday, Nov. 17 at Arlington Ave. Christian Church in Los Angeles.

She is staying over to visit friends for a few days.

Speaker at afternoon session of the council was Col. R.A. Ellsworth on the topic, "Free World, Awaken."

## Auxiliary Makes Flag Presentation

Old Baldy Auxiliary 2085 Veterans of Foreign Wars made a presentation of three Flags to three newly formed Brownie groups at San Antonio School last week.

Leaders of the groups are Mmes. K.D. Leider, Samuel Robinson and Robert Lunsford. Co-leaders are Mmes. Gordon Beisel, Stephen Bodnar and Olaf Larson.

Accepting the Flags in behalf of the various groups were Gayle Miller, Donna Nicholson and Linda Trittipo.

Auxiliary members assisting in the ceremony were Mmes. C.C. Sachs, patriotic instructor; Fay Keith Jr., past president; and Walter Brunton, chaplain.

In all, the auxiliary has presented a total of six Flags this year.

Mmes. Keith and Sachs visited Brownie Troop 221 at Vineland School where investiture of officials pins was made.

## Mrs. Johnston's Birthday Feted

An Open House was to be held at Euclid Ave., Nursing Home in honor of Mrs. Etta Johnston's 92nd Birthday Anniversary Wednesday afternoon, Nov. 18.

Invitations were extended to members of Upland Methodist Church, Eastern Star and Upland Woman's Club—all to whom Mrs. Johnston actively belonged for many years—to visit Mrs. Johnston.

The invitations were issued by Ivan M. Johnston of Boston, a professor at Harvard University who will not be able to attend, and Earl E. Hawthorne of Upland, Mrs. Johnston's son-in-law.

Hostesses for the occasion were to be Mmes. Ethel Nicholson and Florence Rhenstrom, assisted by Doris Collins.

Courtesy of Mrs. Helen Misko, owner and manager of the nursing home at Ninth St. and Euclid Ave. made the Open House possible.

"Mrs. Johnston will be pleased to see each and everyone with whom she has associated over the many years," the invitation read. "Although she is unable to walk and does not have very good vision, she has a wonderful memory. She is up in a big chair in the living room and will enjoy a visit with you."

A cake with 92 candles was to be presented to Mrs. Johnston.

IT WAS A TREAT

Upland News:

We wish to thank you for the outstanding coverage given to the UNICEF Trick-or-Treat program sponsored by the youth of our church.

The response on Halloween was both gracious and generous due in a large measure to the publicity of the event.

We are pleased to announce that a check in the amount of $207.50 has been forwarded to the New York headquarters.

Again our sincere appreciation for your interest and enthusiasm for our program.

## Upland College Uses Lab Basis In Social Science

If one has a belief that the laboratory method is an essential part of teaching the social sciences as well as languages and physical science, how does one go about it? Students in the Social Science Division at Upland College are finding out.

Representative Harry R. Sheppard, 27th District, was invited guest of the American History and Institutions class Oct. 23. He spoke in Chapel and answered student and faculty questions both then and at a coffee planned by the class afterwards. Next semester this group will visit local government offices and a county court as part of the study of California government.

On the international level Upland College students may study current world problems either as a part of their curriculum or as member of the International Relations Club on their own time.

Mahlon Minter and Elaine Crider are president and vice-president of the International Relations Club, which meets the second and fourth Monday evenings of each month. During September and October this group offered speakers to local service clubs to explain the workings of the Model United Nations and to demonstrate college interest in international affairs. George Morris and Mahlon Minter made these talks.

In addition, in commenoration of United Nations Day, Oct. 24, Charles Kalland represented the club by a chapel discussion of problems before the United Nations General Assembly this year. More of these programs are arranged.

Club meetings are divided between discussions and outside speakers. Mrs. William L. Wheaton of Claremont has spoken on her year in Bangkok, Thailand and Professor James Rogers of Claremont Men's College has given his views on the cold war.

As the annual Model United Nations date, April 6-9, 1960 draws closer, the International Relations Club will devote its time to a study of Cambodia, the country which the Upland delegation will represent there. All 82 members of the United Nations will be represented by an equal number of delegations from western colleges and the many problems that face the United Nations will be discussed and debated at the University of California campus in Berkeley during the four-day session.

To do this, the delegations prepare themselves through ly in background and needs of their country, in United Nations procedure and structure, and in the areas of agenda discussion. An understanding of the United Nations and its purposes, limitations, and possibilities is gained.

## Highlander Bees In Victory Over Chino

Upland High School's Bee grid team won its second TCL game in four tries with a 33-6 romp over rival Chino at Highland Field Friday, Nov. 13. Five different Highlanders shared scoring honors for Upland.

Coach Bill Wolfe's eleven hit paydirt first in the initial period as halfback Jim Lail romped 11 yards over the goal line. Frank Barbosa blasted over from 2 yards out for Upland's second TD of the period. Ronnie Robbins and Lail converted respectively.

Gary Omotoy scooted end for seven yards to tally for Upland in the second period. The Highlanders led 20-0 at the half.

Mike Quinn pushed his way into the end zone from 3 yards out in the third quarter and Dennis Barbee converted to give Upland a 27-0 lead. The Highlanders' final TD came in the fourth period on a 17-yard aerial from QB Rich Masluk to end Jim Thomas.

Chino's Dan Tarrango scored the lone touchdown for Coach Frank Elder's losers; a 24-yard jaunt in the fourth quarter. Outstanding defensively for the Highlanders were Loren Miller, Dick Farmer, Lynn Rogalia, Carlton Brownless, Mark Hurley, Roger Hall and Dick Nielson.

Next game for Upland will be a league - ending TCL test with the Bonita Bearcats at Bonita at 3 p.m. Friday, Nov. 20. Bonita also has a 2-2 record, therefore a third place playoff is at stake.

## Prep Speech Squad Wins 6 Sweepstakes

Upland High School's speech squad emerged with six sweepstakes awards at the 15-school San Bernardino Valley College Novice and Regular Tournament.

Receiving parchment certificates for sweepstakes winnings were:

Bill Croghan, first place, original oratory; Mike Pugh, second place, original oratory; John Gilliland, second place, novice boys' and girls' impromptu; Frances Pitts, second place, serious poetry; Sandra Baumgart, third place, novice humorous declamation.

Other Upland speakers achieving first places in their individual rounds included Pamela Arterburn, Kathy Cramer, Glenn Graham, Richard Kermer, Martin Kohli, Joseph Stone and Mike Kowalski.

### UPLAND RED CARPET

BY
Dottie Walter

We have recently had the pleasure of calling on the W.R. Sowers family from Wyoming, the Adrian Hartman family from Pennsylvania, Mr. and Mrs. Robert Stewart and children from Ohio, and the Roy Attocchi family from Chicago, Ill.

These new neighbors moved to Upland from other parts of California. The J.D. Sears family is from Big Bear City, the L.J. McCorkindale family is formerly of Oakland. Mr. and Mrs. James E. Vickers and sons are from Mt. Baldy, and Mr. and Mrs. Richard Beck are a newly married couple from our town.

Mr. and Mrs. Othell K. Talley and their two boys moved here from Monrovia. Mr. and Mrs. Bernard Roth are from L.A., and Mr. and Mrs. J.D. Hawes are from Cucamonga.

Upland also greets Mr. and Mrs. Howard Kravitsky and baby, Ronald from Los Angeles, the Dale Johnsons from Redlands, the M.A. Brown family from San Bernardino, and the K.V. Benish family from Novato.

Other recent additions are Mr. and Mrs. Larry Casey from Fontana, the Robert L. Harris family from Ventura, the J.T. Pruitt family from Van Nuys, and from Pomona we welcome both the Albert S. Cobb family and the Jerry Williams family.

## Gift For Stadium

Because of a gift from a friend, Upland High School's campus surrounding the stadium will be a prettier spot.

Mrs. A.H. Twitchell, 332 South Vine Ave., Upland, has presented the school a Washington Robusta Palm Tree about six feet tall.

Clinton Pruitt, head groundsman, said this particular type of palm is one of the most beautiful and lends itself well to landscaping.

"We'll take all of that kind we can get," he said.

Plans are to begin landscaping the stadium area in the near future.

## Daughters Host Dads

With a group of 90 persons in attendance, Chaffey College's annual Father-Daughter Banquet, sponsored by Associated Women Students, was held at the college cafeteria. A.W.S. President Jeanine Walker presided over the occasion with Vice - President Cynthia Larson introducing the program.

Highlight of the evening's entertainment was reading of a humorous essay on woes of parenthood by Dean of Student Personnel Leonard Mather. A quiz contest, with fathers being queried as to how much they knew about their daughters, was also featured.

Jo Ann Civalleri gave the invocation. Marge Biery served as program chairman. Judith Allen handled publicity, and Betty Cascio was in charge of decorations for the affair.

The A.W.S is under sponsorship of Professor June Teitsworth, Dean of Women.

**FREDONIA, NEW YORK, THE CENSOR:** "It is difficult to see how an artist's political coloration could sensibly be used as a basis for deciding whether his work was good enough to represent the United States in an art exhibit. . .

"The judgment of art and literature by political standards—by the criterion of how well they conform to government views—is a Soviet trick, one we would do well not to emulate. Anyone who doubts that the Kremlin goes in for this sort of judgment need only view the art displayed at the Soviet exhibit in New York. . ."

# Winter Care Of Citrus, Avocado Trees Related

Cool nights have brought questions from backyard gardeners as to how they can protect their citrus and avocado trees from freezing injury this winter.

Farm Advisor Dick Puffer, of University of California, points out protection for young trees can be provided in at least three ways. One is to build a frame around and over the tree, covering this with burlap or other protective material. Part of the covering should be removed in the daytime.

Another way is simply to place a sheet, plastic film, or polyethylene cover over the tree at night and remove this during the daytime. Cornstalks, paper, or other such materials can be placed upright around the trunk of the tree to form a three to four-inch layer of insulation. This mainly protects the trunk.

As trees become larger, they become more difficult to cover. A kerosene lantern or a large light bulb in the tree offers a measure of protection. Combining a heat-source plus covering proves highly satisfactory.

Having trees close to nearby buildings provides some protection to the trees. More information on this subject can be obtained from the Farm and Home Advisors' Office, 566 Lugo Avenue, San Bernardino.

# New Books For You . . .

## . . . At Upland Public Library

BY HAZEL ADELE PULLING

New and significant novels lead the list of today's additions to the library collection. Here are a few of them.

Auchincloss, PURSUIT OF THE PRODIGAL — a tale of a man and his marriage. Auchincloss is a promising new novelist. Faulkner, THE MANSION, the last of his chronicle of the Snopes family. Gallant, GREEN WATER, GREEN SKY, a story of an inadequate mother and her daughter. John Hersey, THE WAR LOVER, a story of a bomber-pilot who loved not life but death. Hill, THE SOUTH WIND BLEW SOFTLY in which Ruth Livingston Hill follows in the pattern of story-telling set by her mother, Grace. Helen Howe, THE FIRES OF AUTUMN, a story of a young modern who seeks wisdom and comfort from the oldsters of her childhood home. Frederick Manfred, CONQUERING HORSE, a story of a young Sioux and his troubles. Phyllis McGinley's THE PROVINCE OF THE HEART, a story of middle-class suburbia by a writer of poetry who interlards her tale with her own interesting opinions. Michener's HAWAII, a historical novel based on the discovery and settlement of the islands. Edita Morris, THE FLOWERS OF HIROSHIMA, a tale revealing in personal terms of the holocaust. Pearson's A FEVER IN THE BLOOD, a story of inordinate ambition and what it can do to you. Rosten's THE RETURN OF HYMAN KAPLAN, another chapter in the life of the angelic, humorous character. Rascovich, THE FLIGHT OF THE DANCING BEAR, a comic novel about an international incident. Elizabeth Seifert, DOCTOR ON TRIAL, an interesting story of events in the life of a young M.D. Lillian Smith's ONE HOUR, a compelling novel based on a situation not uncommon in modern society by the author of STRANGE FRUIT. Morris West's, THE DEVIL'S ADVOCATE, a story of sainthood in the making, and finally, Wodehouse, FRANCH LEAVE, a zany tale typical of its famous author's work.

85 OUT OF 100 NEW HOME OWNERS SAY:

"we chose gas!"

Finest automatic features, dependable free service, and regular savings have made Gas cooking the first choice with 85% of all new home owners. Today's new Gas ranges cost less to buy and install—less to operate, too. While the cost of living has increased 100% since 1940, gas rates are up less than half that much and still remain far below competing fuels and services.
